Dine In, Delivery & Carry Out

Dear Vip,

Hey there, it's Lisa from Pizza King. I trust that you had a great Christmas and New Years. I had a blast hanging out with the family, seeing many of our awesome customers, and watching the kids opening their gifts Christmas morning! Isn't Christmas so much more fun with kiddos opening the gifts?

I'm not going to take up too much space here, because we have a lot of stuff to put in this month's newsletter, but I do want to wish you a great 2012, and I hope that you are able to accomplish everything you set out to this year!

One of our goals here at PK is to do more in our community and we want your help. If you are a teacher, PTA rep, Boy Scout leader, or even a youth pastor, I know how difficult it can be to get donations, and financial support. We want to help and have some great ideas that have worked well for all kinds of organizations in our community.

If you're interested call me at the Lincoln St. store and I will be more than happy to do what I can. Again, have a great start to 2012!

See You Soon :)

Lisa Sizemore

Look Who Won a 42" Flat Screen TV, Just Two Weeks Before the Super Bowl!

We wanted to say congratulations to Mike Moeller of Oldenburg. He was the lucky winner of our TV giveaway. He will be enjoying the Super Bowl in style!

"Don't think of yourself as my husband. Think of yourself as my marriage customer service agent."

Could Your School, Charity or Non Profit use some extra cash?

The President and Congress have done their best to stifle this economy, and as a result more and more non profits are having to find "other" solutions to raise money other than individual donations. Pizza King wants to help you and your group raise as much money as you need. Contact us at any of our locations, and we will happy to talk to you. No group is too small or too large.

Pizza King Hosts Autism Speaks Night!

Max's Movers and Shakers hosted our Autism Speaks night on January 9th. Pictured is Brian Harping with his son Max, receiving a donation from our own Maureen Schutte.

3rd-6th Grade Travel Basketball League makes some Moolah!

I personally got to give Scott Criss from the Girls Basketball Traveling League a check!

One of our favorite things to do here at Pizza King is have non profit groups come in and host a night themselves. Recently the 3rd - 6th Grade Girls Travel Basketball team hosted, and earned some money for their team. It was a great night, and thank you to all of you who came out to support these awesome kids!

The best thing to happen to men, since the little blue pill...

Hey Guys... It's always tough to find something to do on Valentine's Day to make a good impression without breaking the bank. Well, look no further.

Starting February 11th - 14th, Pizza King is going to have Heart Shaped Pizzas, plus all of our other delicious menu items for you to share with your loved one.

Why not do something this Valentines Day, that will help her have a relaxing night, and will make it easy on you to clean up?

"Nobody will ever win the battle of the sexes. There's too much fraternizing with the enemy." - Henry Kissinger

"If love is blind, why is lingerie so popular?" - Unknown

"Love is an electric blanket, with someone else in control of the switch." - Cathy Carlyle
