Dear VIP,

What an insane summer it's been right? I've been doing Vacations, work, juggling the kids being out of school, organizing family get togethers, and even opening a NEW PIZZA KING in Batesville! The list goes on and on. Summer was fun, but the festivals, the thought of leaves changing color and of course the cooler days ahead make me happy inside! :)

I wanted to let you know of a couple of things we've been up to at PK. We opened a new store in Batesville (you already knew that), one of our managers (Sharon Woodhull) took over that location to help hold the fort down. We miss her in Greensburg, but no one could do the job needed done, like she could. Thanks Sharon!

Also, hopefully, you've been getting the emails from us in your inbox. If Not, then you may want to let us know what your email address is, so we can make sure you're at least getting your birthday surprise!

Hmmm, ok the kiddos are calling and dinner won't cook itself (by the way mom... PK is a great way to get out of cooking), so I need to get going. Enjoy your week, and Hope to see you soon!

Arts and crafts are available for purchase. Of course there will be live entertainment, lots of food to taste, and of course apples, apples, and more apples! Held at Liberty Park.

In case you didn't know... We have a BRAND NEW LOCATION!!!

Back in March, we opened our newest location in Batesville. Above you'll see mom and dad, myself, Scott, along with friends, and local officials to help us with the ribbon cutting and Grand Opening celebration. Our awesome customers make this possible for us to grow, despite Obama's best efforts :) Thank You so much!!!

Thank You Sharon!!!

In case you were wondering if Sharon Woodall went missing, and no one reported it, we wanted to let you know she is running our new location in Batesville! Sharon has always done such an amazing job in Greensburg, and she was the perfect person for Batesville. Thank you Sharon!

Who Else Wouldn't mind watching this years Super Bowl on a Brand New 42in. Flat Screen TV?

So here's the deal, (and Scott is going to really be mad I am doing this), but I think that our VIP's deserve something awesome from us this football season. This year, we are going to give away a NEW 42in Flat Screen TV just in time for the Super Bowl.

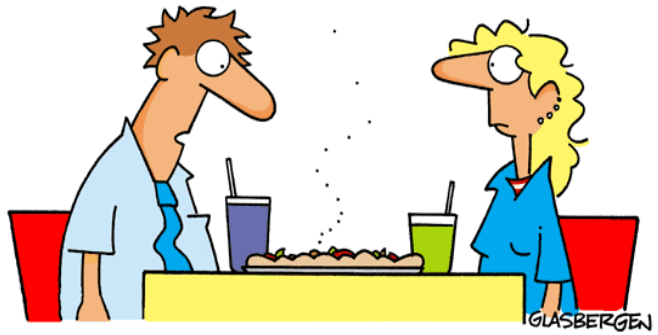

Since it's going to be played close by in Indy, and of course the Colts will be in it, what better way to watch it than on your NEW TV?

Now, so Scott doesn't go completely crazy on me over this, I have to ask something of you. I want you to win the TV, and you can enter as many times as you want, just do me a favor and place an order of at least \$15 when you do. This way, I can keep Scott off my back, and you can still win by getting our great food and the chance to win the TV. Good Luck, and see You soon!

A Brand New 42in Flat Screen could be yours and just in time for the Super Bowl!

"THERE'S NO MULTIMEDIA, NO WIRELESS TECHNOLOGY, NOTHING DIGITAL. THESE DAYS I EXPECT MORE FROM A PIZZA!"

Little Billy wanted \$100 badly and prayed for two weeks but nothing happened. Then he decided to write God a letter requesting the \$100. When the postal authorities received the letter addressed to God, USA, they decided to send it to President Obama.

The President was so impressed, touched, and amused that he instructed his secretary to send Billy a \$5.00 bill. President Obama thought this would appear to be a lot of money to a little boy.

Billy was delighted with the \$5.00 and sat down to write a thank you note to God, which read:

Dear God,

Thank you very much for sending the money, however, I noticed that for some reason you had to send it through Washington D.C. and, as usual, those crooks deducted \$95.00.

Thanks,
Billy

Could Your School, Charity or Non Profit use some extra cash?

The President and Congress have done their best to stifle this economy, and as a result more and more non profits are having to find

"other" solutions to raise money other than donations. Pizza King wants to help you and your groups raise as much money as you need. Contact us at any of our locations, and we will happy to talk to you. No group is too small or too large.

United Fund and Pizza King are teaming up on September 24, 2011...

On September 24th, come out to Pizza King and help us raise money for the United Fund. This organization helps those in our community who have found themselves in difficult situations like job loss, and being unable to meet basic needs. This is a great way to show our community that we care and that Pizza King really does have the best customers in Decatur County! 10% of all the sales go to the United Fund. Help us cut them a huge check this month!
